

Surface mount box unloaded, RJ45

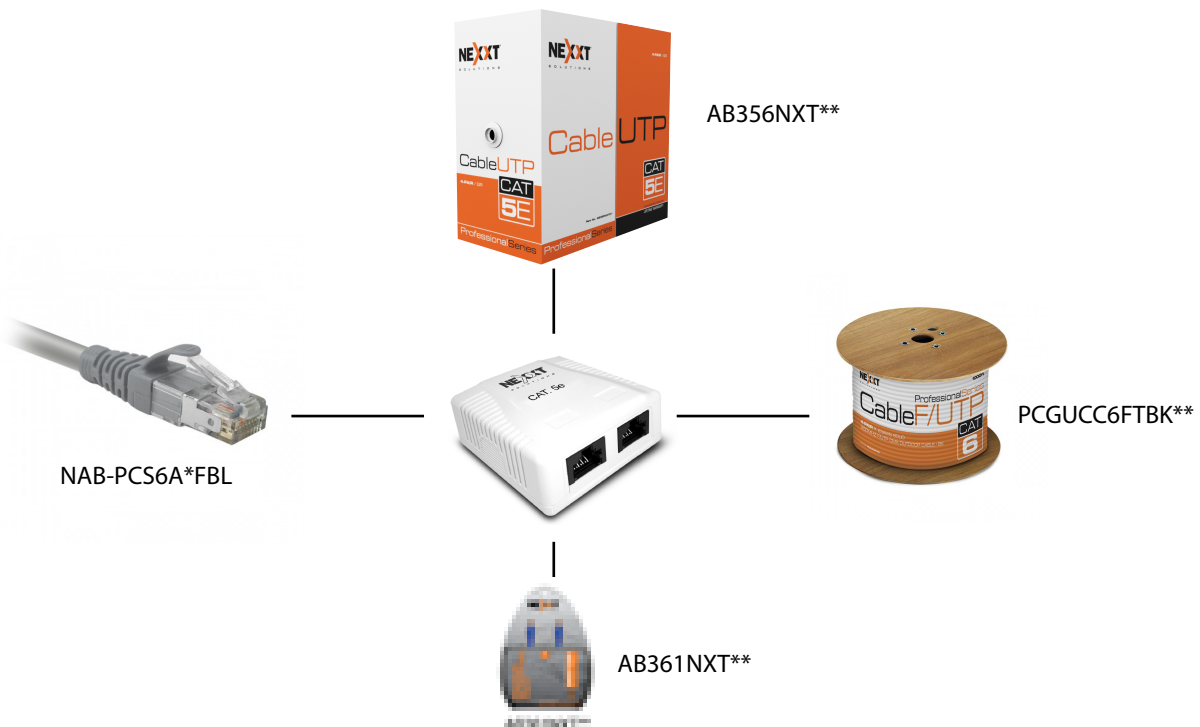

AE180NXT09
AE180NXT10

This unshielded unloaded mount box is compact and easy to install on a flat surface. Comes with screws and double-sided mounting tape, allowing the installer to choose his preferred mounting method. The durable plastic structure of the boxes guarantees cable strength and provides mechanical protection for the connection area. Designed for use with any standard category 5E or category 6 RJ-45 keystone jack. Available with 1 or 2 ports.
