## Keeping an eye on your bundle of joy

### Overview

Nexxt Solutions introduces the **RooMate**, a whole new way to safely look after your baby and keep a watchful eye even when away from your kid. The combination of a full motion Pan-Tilt-Zoom camera and a 3.5-inch color monitor gives parents peace of mind while the baby sleeps or as you go about your daily tasks. You may hear and speak to your baby thanks to the built-in microphone and speaker on both units. Take full control of the camera directly from the rechargeable portable monitor at a distance up to 500ft.

The baby monitor comes with preprogrammed features, such as a temperature sensor, feed timer, and soothing lullabies. Included night vision easily highlights areas of the room you would like to see more clearly even when in complete darkness. The **RooMate** makes sure you don't miss a single moment of your little ones accomplishments.

### Features

- Pan-Tilt wireless video baby monitor and camera
- Control camera movements from the 3.5inch digital color display
- Two-way communication
- IR LEDs for night time viewing of the baby in a dark room
- Temperature sensor
- Feed timer
- Works with up to 4 cameras for monitoring multiple locations
- Preprogrammed lullabies
- Voice activation
- Out of range warning
- Rechargeable batteries make the monitor truly portable

## Technical specifications

MPN	AIWPTFI4U1
<b>Camera</b>	
Image sensor	Color 1/3-inch CMOS
Lens	3mm
Frequency	2.4GHz
Aperture range	F2.4
Antenna	One fixed 2dbi omnidirectional antenna
Transmission distance	500ft
IR LED quantity	8
Minimum illumination	Night vision ON : 6 ± 5 lux Night vision OFF : 9 ± 5 lux
Night vision range	19.6ft
Zoom	Digital zoom
Microphone	Included 2-way communication
Speaker	Included 2-way communication
Material	Plastic
Dimensions	3.9x3.3x4.3in
Weight	0.7lb
<b>Video/Image</b>	
Horizontal resolution	650TVL
Effective number of pixels	640(H)x480(V)
Modulation	Motion JPEG
Viewing angle	Horizontal: 62° Vertical: 52°
<b>Monitor</b>	
LCD screen size	3.5 inch LCD
Display colors	Full color
Number of cameras	Up to 4
Microphone	Included 2-way communication
Speaker	Included 2-way communication
Battery	1100mAh
Battery active time	4hrs with LCD on 5-6hrs with LCD off (sleep mode)
Power supply	6V / 0.8A
Power consumption	W/O charger: 1.2W With charger: 4.2W
Dimensions	4.7x1x3.3in
Weight	0.9lb
<b>Features</b>	
Pan/Tilt range	Horizontal: 270° Vertical: 120°
Tracking	Automatic
Lullaby	Three songs included
Temperature sensor	Included
Feed timer	Included
<b>Additional information</b>	
Warranty	Three years
Certifications	FCC
