2-year warranty

2K QHD HDR

3 MP Resolution

Your home in **one app**

Peace of mind in high definition

It's more than surveillance — it's peace of mind. With 2K QHD resolution and night vision, nothing escapes your sight, even in the dark. Perfect for keeping an eye on your kids, pets, or loved ones, no matter the time or distance. Communicate instantly through two-way audio, deter intruders with the built-in siren, and receive instant alerts for motion or sound detection. Save your recordings on a microSD™ card up to 128 GB* or in the cloud, and easily control everything from the Nexxt Home app.

Highlights

- 2K QHD (3MP) resolution: Capture every detail with superior clarity, even in low-light conditions.
- Advanced night vision: Keep watch 24/7 with powerful infrared LEDs.
- Two-way audio and built-in siren: Talk, listen, or deter instantly from your mobile phone.
- Motion and sound detection: Get instant alerts on your smartphone whenever unusual activity is detected.
- Flexible storage: Save recordings locally on a microSD™ card up to 128 GB* or in the Nexxt Home Cloud.
- Easy setup and connectivity: Get it running in minutes—no hub required.
- Compact design and USB-C® power: Perfect for indoor spaces, with low energy consumption and discreet placement.
- ONVIF® compatible: Easily integrates into broader security systems.
