Voice activated
Amazon Alexa or the Google Assistant device required

IP65 weatherproof

Micro-SD™ slot

Wall mount bracket included

Cloud ready

2-year warranty

Your home
in **one app**

Peace of mind at your fingertips

The ultimate sturdy, wire-free security solution

Nexxt Solutions introduces its new **Smart Home Automation Series**. Designed to suit your mobile lifestyle while building a safe environment inside and out of your home, the brand seamlessly unifies into one user-friendly application a comprehensive line of fully integrated devices. From smart plugs, power strips, bulbs, and cameras, you can now take control, schedule, and run your own home devices, on your own schedule even when you are not there.

Our **smart versatile Wi-Fi camera** is your extra pair of eyes and ears to learn in real-time what happens inside or outside your home. Receive alerts on your phone or tablet when it detects activity on your property. Have two-way conversations through the Nexxt Home app when visitors or packages arrive at your door. In addition, control the camera with voice commands by using Amazon Alexa or Google Assistant. This wire-free rechargeable device provides peace of mind as your home is surveilled 24/7 and works uninterrupted even during power outages. Its infrared night vision shows you what is occurring with total clarity thanks to 1080P HD video quality for optimal perimeter security. Save footage locally on your microSD™ card with up to 128GB of storage capacity or subscribe to one of our cloud storage services to access video from anywhere, anytime. Protect your family and your home with this weatherproof smart camera all year long.

Highlights

- Built-in rechargeable battery enables the camera to work even during power failures
- Wire-free to avoid cable cluttering
- 1080P HD video quality for sharp images
- Live stream shows what is happening in real time
- Weatherproof IP rating of 65, for optimal protection and reliable performance in any season
- Motion detection alerts with an effective range of up to 26ft
- 120-degree lens provides a wide viewing angle, see more of every moment
- Voice activated: utter simple commands using Amazon Alexa or Google Assistant
- Supports local storage through a microSD™ card of up to 128GB
- Supports two-way audio between phone and camera
- Free app provided, supports remote viewing on iOS or Android™
- IR LEDs for night vision
- No hub required
