Meet your new security powerhouse

This cutting-edge camera features a powerful combination of PTZ (Pan-Tilt-Zoom) and fixed lenses, delivering stunning dual 2K QHD 6MP resolution (with the sum of both lenses). Whether it's day or night, experience vibrant color night vision that ensures every detail is captured with precision. Stay one step ahead with advanced motion detection, patrol mode and intelligent tracking mode, providing an extra layer of security by continuously scanning your surroundings, following any detected movement to ensure nothing escapes its watchful eye. Designed to withstand the elements, this sturdy outdoor camera is your reliable partner in safeguarding your home.

Highlights:

- · Combines PTZ (Pan-Tilt-Zoom) and fixed lenses for comprehensive coverage
- Enjoy 2K QHD resolution (3MP) through each lens for crystal-clear images
- Color night vision function to see every detail vividly, even in complete darkness
- Advanced motion detection that alerts you instantly to any movement
- Continuously scans your surroundings for enhanced security
- Follows detected movement to ensure nothing escapes
- Communicate directly through the camera with built-in two-way audio
- Choose between Cloud and microSD[™] storage to keep your recordings safe *
- Equipped with RJ45 and ONVIF support for easy integration into your existing security system
