

Smart Wi-Fi® surge protector with USB charging ports

Your home
in **one app**

Turn on your lights, charge your tablet or get your coffee maker started before you get home

Nexxt Home's new Smart Wi-Fi® surge protector is the easiest way to turn any of your current electronics into a smart device. Simply plug it into any AC outlet and connect it to your existing Wi-Fi® network, no hub required. Its 90° rotating power cord allows you to adapt it to the connection needs in your space. Remotely turn your lights and appliances on and off from anywhere via the Nexxt Home app. Its voice activation feature makes it compatible with Google Assistant and Amazon Alexa for hands-free management of all linked devices independently. Intelligent USB-A and USB-C® ports can detect your device and deliver the ideal charging for optimum safety. You can have peace of mind by checking the real-time status of any appliance at any time and save energy by running your house on your schedule, while providing a higher sense of security by making it appear that you are home even though you are halfway around the world.

Highlights

- No hub required
- Surge protection
- 4 smart outlets and three built-in USB charging ports (two USB-C® and one USB-A).
- Easy pairing with the Nexxt Home app, compatible with iOS and Android™.
- Voice activated (Amazon Alexa, Siri and Google Assistant)
- Multiple programmable timers to control operating schedules.
- 6 ft power cord
- Rotating mechanism to change the outlet angle of the power cable up to 90°.

simple, better, **smart**

Smart Wi-Fi® surge protector with USB charging ports

Characteristics

MPN	NHP-E710
Input	
AC voltage	100-240 VAC
Frequency	50/60 Hz
Current	15 A
Wireless frequency	IEEE 802.11b/g/n, 2.4GHz (Not compatible with 5GHz Wi-Fi® networks)
Surge suppression rating	800 J
Voltage protection rating (VPR)	925V at 50A
AC plug style	NEMA 5-15P
Output	
AC voltage	120-240 VAC
Frequency	50/60 Hz
Maximum power	1875 W
AC outlets	Four (4) NEMA 5-15R
DC charging ports	One (1) USB-A and two (2) USB-C®
DC charging ports voltage & amperage	5VDC, 3.1A (total)
Physical characteristics	
Dimensions	13.38 x 2.50 x 1.29 in
Weight	1.47 lb.
Housing material	PC+ABS
Color	White
Power cord gauge (AWG)	14 AWG
Power cord length	5.90 ft
Special features	
	<ul style="list-style-type: none"> • On/Off switch • Illuminated switch • 90° rotating power cable
Environment	
Operating temperature	0-140°F (-10-40°C)
Storage temperature	14 - 140°F (-10 - + 60°C)
Relative humidity	Operating humidity: 10%-90% non-condensing Storage humidity: 5%-90% non-condensing
Application	Indoor only
Additional information	
System requirements	<ul style="list-style-type: none"> - Mobile device running iOS10 or higher, Android™ 5.0 or higher - Nexxt Home app - Existing 2.4 GHz Wi-Fi network
Certifications	FCC, NOM
Warranty	2 years
