

Smart Wi-Fi® surge protector

with USB-A & USB-C® charging ports

Control each outlet and USB port individually

2 USB-A + 2 USB-C® built-in ports

Voice control

Create schedules

Easy to share access

Your home in **one app**

Turn on your lights, charge your tablet or get your coffee maker started before you get home

Our **Smart Wi-Fi® surge protector** is the easiest way to make your current electronics smart. Simply plug it into any AC outlet and connect it to your existing Wi-Fi® network, no hub required. Remotely turn your lights and appliances on and off from anywhere via the Nexxt Home app. Its voice activation feature makes it compatible with the Google Assistant, Amazon Alexa and Siri for hands-free management of all linked devices independently. Intelligent USB-A and USB-C® ports can detect your device and deliver the ideal charging for optimum safety. You can have peace of mind by checking the real-time status of any appliance at any time and save energy by running your house on your schedule, while providing a higher sense of security by making it appear that you are home even though you are half way around the world.

Highlights

- No hub required
- Surge protection
- 4 smart outlets and 4 USB built-in charging ports (2 USB-A + 2 USB-C®)
- Easy pairing
- Nexxt Home App
- Voice activated (Amazon, the Google Assistant and Siri)
- iOS and Android™ compatible app
- Create schedules
- Multiple programmable timers

Smart Wi-Fi® surge protector

with USB-A & USB-C® charging ports

Technical specifications

MPN	NHP-T615
Input	
Voltage	100-240V
Frequency	50/60Hz
Max. load current	15A
Wireless frequency	IEEE 802.11N, 2.4GHz (not compatible with 5GHz Wi-Fi® networks)
Surge suppression rating	900J
Voltage protection rating (VPR)	850V at 50A
AC plug type	NEMA 5-15P
Output	
Voltage	120-240VAC
Frequency	50/60HZ
Max. power	1875W
Outlet	Four NEMA 5-15R
Charging ports	USB-A (x 2) & USB-C® (x 2), 5V/3.8A max
Physical appearance	
Dimensions	3.9 x 3.9 x 1.1 in
Housing	Fire retardant plastic
Color	White
Weight	8.1oz
On/off switch	Yes
Environment	
Operating temperature	0 - 104°F
Storage temperature	14-140°F
Relative humidity	Operating humidity: 10%-90% non-condensing Storage humidity: 5%-90% non-condensing
Application	Indoor use
Additional Information	
System requirements	- Mobile device running iOS10 or higher, Android™ 5.0 or higher - Nexxt Home app - Existing Wi-Fi network
Warranty	Two years
Certificate	FCC
