Sliding adjustable
4-point shelf

NPS-4A1U3B

Nexxt Solutions offers a variety of shelves to meet all of your cabinet and rack mounting needs. Our black steel rack mount shelves are compatible with most 19-in EIA standard racks. Our rack shelves are designed for heavy equipment and will support a wide variety of electronic equipment. For indoor use only, in environmentally controlled areas, may not be used outdoors, in industrial or harsh environments or in plenum spaces. This adjustable shelf is designed for non-rack-mountable equipment as servers, desktops, workstations and peripheral devices. Each unit is individually boxed.

- One rack unit, adjustable 4-point shelf
- Great for non-rackmountable equipment as servers, desktops, workstations and peripheral devices
- Fits any 4-post rack and server rack
- Each unit can hold up to 66lb
