

Vertical cable management system

With hinged doors, right and left side

PCRCOVT7FTBK

The Nexxt Solutions cable management system is designed for superior cable organization, by allowing increased cable density for maximum space utilization and enhanced system appearance. By creating a vertical pathway, cables are conveniently routed through the channel, while increasing the manageability and control of your installation. Hinged doors also provide easy access to the cables inside the vertical pathway. Pass-through holes promote adequate bend radius, ensuring network performance and reliability. This is one-pair of cable management contained in the package.

- Follows ANSI/TIA/EIA-568 C.2 manufacturing standards
- One layer of electrostatic coating protects it against humidity, rust, scratches, peeling, strong acid and alkaline erosion
- Black Epoxy-polyester hybrid powder paint
- For indoor use only, in environmentally controlled areas, may not be used outdoors, in industrial or harsh environments or in plenum spaces

With hinged doors, right and left side

Product specifications

Cable management characteristics	
Bracket color	Black varnish paint (RAL 9005)
Mounting configuration	Right and left side
Mounting type	Rack mounted
Access type	Top/Bottom, Front/Rear and both sides
Front/rear mounting option	No
Frame material	SPCC, 1.5mm thickness
Duct cover material	SPCC, 1.5mm thickness
Duct cover type	Hinged
No. of lateral oval slots	36
No. of rear oval slots	9
No. of hinges	5
No. of door magnets	2
Dimensions	
Overall height	81.32in
Overall width	5.00in
Overall depth	6.00in
Oval slot height	3.46in
Oval slot width	2.17in
Includes washers and 10 hex nut set	• 10 M7 x L12mm screws and 20
Certifications and standards	
International standards	ANSI/TIA/EIA 568.C.2; UL 60950-1
Miscellaneous	
MPN	PCRCOV7FBK
UPC	798302034617
Etiquetado	NEXXT SOLUTIONS
Packaging	2 units in a carton box
Cu.ft.	2,80
Warranty	5-year limited warranty. For full warranty details, visit: https://www.nexxtsolutions.com/warranty

SPCC: Commercial grade, cold rolled steel sheets
