

Professional cutting pliers

5-inch, side cutter

PTKCUMISI05YL

APPLICATIONS

- General purpose
- Automotive
- Camping
- Construction and hardware
- Delivery services

Our Side Cutter Pliers are made of high-carbon, heat treated steel for durability and longer lasting cutting edges. This cutter is mostly used for delicate work in tight areas, where tiny stranded or solid copper wires are difficult to handle, especially in voice and data cable installations. Featuring ergonomic spring loaded handles, this tool provides the operator a comfortable grip along with a smooth, easy return action, ideal for repetitive tasks.

Product specifications
